Dear Valued Customer:

If you were not able to attend the Community Open House we recently invited you to, we're writing again to let you know about an upcoming webinar that PG&E will be hosting to share information about our Community Wildfire Safety Program (CWSP). This webinar will provide an additional opportunity for anyone who is interested in PG&E's wildfire safety efforts to receive a presentation from PG&E leadership, ask questions and provide feedback.

Topics will include:

- Expansion of the Public Safety Power Shutoff program
- Accelerated safety inspections of electric infrastructure
- Enhanced vegetation management around power lines
- Hardening the electric system for the future by replacing equipment and installing stronger and more resilient poles and covered power lines

Below is more information about the upcoming webinar. Please feel free to share this invitation with your friends, family or business.
